Teaching/Coaching Experience:

I have over four years of coaching experience, primarily accumulated with the Richmond Training Centre, Stouffville Skating Club, and now my lovely home of the Ajax Skating Club. I have experience coaching from Pre-School to Gold level skaters, and enjoy choreographing solos, and enhancing spin and jump quality of skaters.

Professional Highlights:

As a skater myself, I achieved Gold standing in all aspects of the sport; Skills, Artistic (now called Interpretive), Dance, and Freeskate. I also completed my Novice level competitive singles freeskate test and highly enjoyed the competition scene.

I am an Ontario Certified Teacher (Primary/Junior Qualifications) and have a passion for teaching students and skaters of all ages and abilities. I have completed the additional teaching qualification course to better teach students with special needs.
